Dear Mr. Schoener:

Greetings from Tulsa!

Thank you so much for your letter of September 26 inquiring about Dr. Fernando Penabaz and his speech at the Christian Crusade Convention.

Dr. Penabaz advised Dr. Hargis at the last minute that he was afraid to come to Tulsa and speak at the Convention due to the hijacking of so many planes to Cuba. Therefore, there was no speech as Dr. Penabaz did not appear at the Christian Crusade Convention.

May God bless you and keep you. If we may help you in any way from this office at any time in the future, please let us know.

Sincerely,

CHRISTIAN CRUSADE
